UNITED STATES COURT PETIT JURY. - To avoid any misapprehension as to when the jury are to attend on this court, they are informed that their attendance will not be required until Monday next.

THE UNITED STATES COURT. APRIL 15-HON. GRORGE S. BRYAN, PRESIDING .- Granting orders of sale, hearing petitions for final discharge, appointing assignees, &c., occupied the attention of the bankrupt side of the court yesterday.

DEATH PENALTY COMMUTED .- Governor Scott has commuted the sentence of Susan Eppes, convioted at the last term of the Court of General Seasions, held in Newberry County, of murder, and sentenced to be executed on the 21st day of May next, to imprisonment for life in the state penitontiary.

FAILURE OF THE MAILS.—We learn that all the packages of THE DAILY NEWS of Wednesday, for points on the Northeastern Rallroad, were missent up the South Carolina Railroad. The fault was not in this office. The missing papers should by this time have been returned to their destination.

NEW CROP ROSIN .- There are in THE NEWS office samples from a lot of 35 barrels of rosin, new crop, made on the line of the Northeastern Railroad by Messrs J. W. Edwards & Co., and sold by Mr. John Marshall, Jr , for \$9 per barrel-280 pounds-being the highest price obtained in Charleston for rosu since the close of the war.

A SOUTH CAROLINA CONSUL. - The President on Monday and Tuesday sent in a huge list of nominations to the Senate for confirmation. We have searched the list through, and find that but one of the appointees hails from South Carolina. This is Mr. B. Odell Duncan, who is nominated as United States Consul to Elsinore, Denmark.

FAMILY MEDICINES.—In another column will be found the advertisement of Dr. Prophitt's family medicines, consisting of his celebrated liver medicine, anodyne pain kill it and anti-bilious and ague pills. These preparations, which have a wide repu-tation, are described and recommended in the certificates attached to the advertisement.

GOLD KARRINGS RECOVERED -- A pair of gold terday, by S. Conroy, to whom they were offered for sale, by a colored boy, for swenty-five cents. When he was questioned as to where he obtained them he fled. The owner can recover them on application to the Cyptain of the Police.

THROWING WATER FROM WINDOWS .-- Notwithstanding the tact that there is an ordinance in force strictly prohibiting throwing water out of windows on the street, it is frequently done, and the penalty must be met. Yesterday a fine of \$2 50 was posed on the American Hotel, East Bay, for allowing the ordinance to be violated

SURVIVORS' ASSOCIATION.—The anniversary supper of this association will take place this eve ning, at Hibernian Hall. Tully is the caterer, and, under the auspises of the committee, will provide a first-rate entertainment. Tickets can be had from any of the committee, and members who have not yet purchased tickets are requested to do so to-day.

A Good Sign.—The Charleston branch of ing Mayor. the Life Association of America, located at No. 40 Broad-street, put out a stylish new sign yesterday. It has convex si ies and is oval in shape, and the his tory of the association, in brief, is given in gold tint-ed letters on a blue ground. It is aitogether a neat piece of work, and the painting done reflects credit on Styles' palette.

GREAT CHANGE IN THE WEATHER .- The change which has taken place in the weather during the past few days is the topic of general remark. On the 15th of april, 1849, there was an w here, and on the same day in 1860 there was a frost. At 6 P. M. last evening the thermometer was ten degrees lower than at the same hour on the 1st of January of this year. What effect this cold snap has had on early vegetation is not yet definitely known.

FOWL THIEVES ON THE RAMPAGE. - It was generally supposed when all the jail-birds w-re transferred to the Penitentiary, after the last term of the Oriminal Court, that the city had been depleted of fowl thieves; but it seems not, or there is a new spring crop. Night be ore last there was a raid made on the roost of a gentleman living in Rutledge. street, and several ducks and fowls carried off. The entrance to the fowl bouse was adroitly effected through the kitchen windows.

SARGENT, THE LLUSIONIST .- Hibernian Hall last evening was filled with a wondering audience, who seemed delighted with the marvellous performances of Sargent, the great illusionist. The bell tick and the goblin drum were specialties that elicited loud and long applause. Another entertainment to-night, when new features will be introduced Prizes distributed every night. A matinee performance for children will be given on Saturday after

AN EXPEDITION TO CUBA. - The Savannah News says: "We have beard rumors for several days past of an expedition preparing to embark for Ouba, and yesterday we were informed by a gentle man who professed to speak from his own persons knowledge of the fact that some seven hundred and fity men from the upper portion of the State, the names of some of whom he mentio ed, had arrived in the vicinity within the past two or three days, or their way to embark for Cuba.

THE MAYOR'S PARADE-OUR VISITING FIREgreen.—Since the announcement of the programme for the 27th, which emanated from the Chief of the Fire Department, the companies in this city have been on the alert, and nigh ly practice for the test to be applied. Some of them have attained a wonder-

ful speed in the given distance. With regard to our visiting firemen it is now de anitaly known that the Georgia, Washington and Vigilant, of Augusta, will be here, and nobly will our elster city be represented by these gallant comULUBS AND STARS .- Proceedings of the fayor's Court Thursday morning:

ANOTHER FATAL AFFRAY .- On Thursday last, says the Edgefield Advertiser, Mr. John Autrey was killed by Mr. Andrew Moyer, Sr. Mr. Autrey was a respectable citizen, living some eight or nine miles west of the village, in the neighborhood of Phillip Church. Mr. Moyer, equally respectable, lives ther still. It seems that Moyer was owing Autrey, and that the latter went, on the said Thursday, accompanied by a deputy sheriff, to a field where Moye and his son wers ploughing, to levy upon a certain arrae. The younger Moyer resisted, and words or blows ensued; the elder Moyer joined the fray, and picking up a stone, struck Autrey such a blow upon the head that he soon died. Both the Moyers were arrested and brought to this place on Sunday last. On Monday morning they departed for Columbia under charge of an officer of the law, to endeavor to give bail, and return to their home.

of the 1st proximo, to do so. Mr. J. H. Bruning, formerly of Ufferhardt, Campsen & Co., proposes opening a dry goods store in King-street, opposite Beaufain street. The regular quarterly examination of teachers will toke place in the Normal School on Saturday, the

19th inst. There is an advertiser in THE NEWS who want one hundred axmen. Why don't the idlers around

the streets take the work offered? The festival of the Schutzentest in May promises to be an occasion of unusual interest if the rumors that we hear be well founded.

Already applications have been made for eligible places, on Meeting-street, by ladies anxious to get a good view of the firemen's parade. Mesers. Lopez & Son are rebuilding the extensive workst ops in Smith-street. There must be work

EXCURSIONS AROUND THE HARBOR-THE ELE-MOR.—At this delightful season, and indeed on favorable days throughout the year, there can be no more agreeable way of passing a leisure day than by a trip around Charleston harbor in an A No. 1 yacht, such a one for instance as the Eleanor, Captain Young. With a fair breeze, a slightly ruffled sea, a bright sky, and a full sail, an excursion around the harbor is a pleasure to be remembered. Passing by Oastle Pinckney, which few care to visit, there is Mount Pleasant, with its magnificent groves and beautiful village—there are bullivan's, Morris and James Islands, with their picturesque scenery and glorious memories. There are the remains of Moultrie-the scarred fort of two revolutions, the grim ruins of Sum er-the easy conquest of which Southern skill and Southern valor made an impregnable fortress. There is the site of Wagner-the scene of deeds of heroism that would furnish material for a thousand Iliads. There are the grass grown ramparts of Johnson, whence sped the first shell in the siege of Sunter. A sand bank is all that remains of the small earthwork that bore the illustrious name of Beauregard, and Ripley is talling a prey to the winds and waves. Such an excursion cannot fail to be of great interest to the visitor, be he Southerner

CHARLESTON, April 15, 1869. I propose, at an early day, to prove by record eviience, and by the oaths of credible witnesses, that all the charges made by me against G. W. Clark, Acting Mayor, are substantially true. I have no ssue of veracity to make with the Collector of the Port. His letter only proves that he has never been called on to investigate any complaint as to the quality of the food at the Marine Hospital, and that with the investigation he mide Mr. Clark "had nothing to do, nor was there any reflection" on his "official character." The gist of my charge is, however, not that Clark sold unsound provisions to the hospitals, but that being Mayor, he should contract to furnish any provisions at all to the City institutions ; drawing the checks to pay, and aiding to audit his own accounts. These charges still stand unimpeached. I therefore trust that the public will not suspend their opinion in regard to the Act-T. J. MACKEY.

LIVER MEDICINE ANODYNE PAIN KILL IT.

ANTI-BILIOUS PILLS, AGUE PILLS Dysentery Cordial, Female Tonic

AND PURIFYING PILLS.

THE FXCELLENT REMEDIES OF O. S. PRO-PHITT, M. D., need no recommendation—their well known power in removing the diseases peculiar to our Southern climate having already established for them an enviable reputation in Georgia and the adjoining States. As the majority of persons living in the South are prodisposed to disease of the Liver, it is granted by all intelligent physicians that most of the pains and sobes of our people are due to organic or functional derangement of that important organ. Prophit's Liver Medicine and Anti-Bilious Pills strike directly at the root of the evil. They cure the Liver, which in nine cases out of en, is at the bottom of the Couples, Dyspepsia, Colic, Sick Headache, Rheumatism, Constipation, Menstrual Obstructions, &c., so common among our people. Earache, Toothache, Acute Rheumatism, Neuralgia and bodily pains of every kind fice before THE FXCELLENT REMEDIES OF O. S. PRO-PROPHITT'S PAIN KILL IT

PROPHITT'S LIVER MEDICINE. PROPHITT'S LIVER MEDICINE.

Dr. Prophitt—Having used this medicine sufficiently long to test its virtue, and to satisfy my own mind that it is an invaluable remedy for Dyspopsia—a disease from which the writer has suffered much for six years—and being persuaded that hundrens who now suffer from this annoying complaint would be signally benefitted, as he has be n, by its use, we deem it a duty we owe to this unfortunate class to recommend to them the use of this remedy, which has given not only himself but several members of his family the greatest relief.

like chaff before the wind.

DOOLY COUNTY, GA, April, 1867.

This is to certify that I was confined to the house, and most of the time to my bed, and suffering the greatest agony imaginable with Rhoumatism, for five months, and after trying every available romedy, with no relief, I was cured with two bottless of Dr. O. S. Prophitt's Anodyne Pain Elli II, each costing fifty cents only; it relieved me almost instantly. I therefore recommend it in the highest degree to others suffering from similar disease. I can say that it is one of the best family medicines now out, certain. Yours truly, W. A. FOREHAND.

Dr. Prophitt-Having used your Liver Medicine for more than a year in my family, I cheerfully re-commend it to all persons suffering from Liver af-fections. Dyspepsia or Indigestion in any form. I also recommend your Dysentery Cordial as the best remedy for that disease. O. T. ROGERS.

STANFORDVILLE, PUTNAM COUNTY, Oct. 1, 1867.

Dr. O. S. Prophitt—Dear Sir—I his is to certify that I have used your Ague Pills for the last ten years, and I have never failed to cure the Ague in a single instance with them. They always break the chills the first day that they are given. I can recommend them as being the est ague medicine that a have ever found, and they leave no bad effects following them, as Quiniue. &c.

Yours respectfully.

A. WESTBROOK.

PUTNAM COUNTY, GA. September 22, 1868.

Neurals to and Rhumatic efflictions, Headache, Colic, and pains of every kind are subdued by them. After using the medicines so long, I cheerfully recommend them to any and every one, and to all that are afflicted, as the best and safest remedies for all the diseases for which they are recommended, &c.
